Pic.A

2 Ways to Use:

1. Hang the magnifier around your neck. As **Pic.A** shows.
2. Stand it on a surface with legs unfolded. As **Pic.B** shows.

Pic.B

To unfold the legs, make sure to press the tab to release the leg and pull, as **Pic.C** shows. (note: to avoid damaging the unit, do NOT pull on the legs without releasing them first).

Repeat step on the other side.

To fold legs, "click" one at a time back into each tab.
