## Advanced Spider StayAway

Ideal for preventing spider infestation and spider-webs the humane way, EasyLife's Advanced Spider StayAway is a natural spray that harmlessly repels those unwanted visitors. Using chestnut extract, a fragrance disliked by spiders, once the area is sprayed, they won't come near. Simply spray around doors and windows and spiders are deterred from entering. Also perfect for camping, caravans, basements and sheds. Effective outside and inside, it leaves no residue or discolouration. Safe to use and harmless to animals, adults and children. Each application can last up to 1 month.
