500ml e

Repair leaks instantly

Imagine being able to repair a leak in seconds without hiring expensive specialists. With Spray 'n' Seal you can – simply clean the area to be sealed, apply the spray and that's it, you have a watertight seal in seconds – it's as simple as that. Formulated in the UK and used by respected DIY enthusiasts, it is great for repairing most leaks in pipes, gutters, drains, roofs, windows or other areas where water has seeped through. Keep a can around the house and be prepared for the next little emergency.

DIRECTIONS:

To avoid risk to man and the environment comply with the directions for use

- ✔ Only use in open well ventilated areas
- ✔ Ensure the area to be treated is completely clean and dry
- ✔ Spray surfaces from a distance of approximately 40cm (16-18 inches)
- ✔ For sealing larger leaks, fillers such as mesh or fabric maybe used to act as a binder for the clear seal

SAFETY INSTRUCTIONS:

EXTREMELY FLAMMABLE. Harmful by inhalation and in contact with skin. Limited evidence of a carcinogenic effect. Keep away from sources of ignition - no smoking.

Do not breathe gas/fumes/vapour/spray. Avoid contact with skin and eyes. Wear suitable protective clothing. Use only in well ventilated areas. Before using always test this product on an inconspicuous area and proceed only when completely satisfied.

CAUTION:

Pressurised Container. Protect from sunlight and do not expose to temperatures exceeding 50°C.

Do not spray on a naked flame or any incandescent material. Do not pierce or burn even after use. Take measures against static discharge. Avoid release to the environment. If swallowed do not induce vomiting, seek medical attention immediately and show the container label.
