

Titanium Magnetic Bracelet / Copper Magnetic Bracelet

Model No. EL3502 / EL3503

Please read carefully before use and keep for future reference

Parts

1x Bracelet
1x 1cm Extra Link

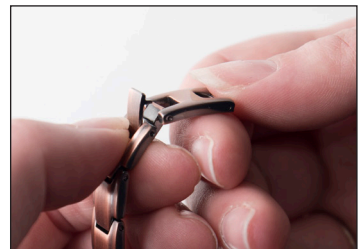

How to use

Simply clip the clasp onto the clasp bar and push together to close.

To attach the Extra 1cm Link, attach the clasp on the extra link to the clasp bar of the bracelet and then close the bracelet around your wrist as above.

Please note

When wearing the copper bracelet you may notice that your skin takes on a Green Patina. This is due to a reaction caused by sweat, soaps, lotions and make up reacting with the Copper. If you see this reaction, discontinue use for a few days and the Green Patina should disappear.
