Instructions for use

Before first use:

Wash the scissors in warm soapy water, rinsing thoroughly. Do not put in the dishwasher.

Dry immediately, do not allow to drip dry to avoid rusting.

Wash and thoroughly dry after each use to prolong life expectancy.

We recommend storing scissors in a safe place such as a scissor block. Keep away from children.

Warnings:

- Extremely Sharp, take care during use.
- General household use only.
- Can cause injury if misused or handled incorrectly. Keep blade away from your person.
- Failure to follow safety precautions can result in serious injury.
- Store in a safe place.
- This product is intended as a cutting tool and should only be used as such.
- Do not use or store scissors in extreme heat or at high temperatures.
- Not suitable for hard substance, do not force the scissors to cut. This will damage them.
- After contact with Acidic or Alkaline substance, wash immediately and dry properly to avoid damage.
- Keep the blade clean and dry
