Dear Customer

Thank you for purchasing the Duo Spin Mop. No more hassle of wringing out old fashioned or damp smelly mops that can cause unpleasant odours and be a breeding ground for nasty germs. Duo, buy name, Duo by action – with two spinners, one on the bottom of the bucket to agitate dirt out of the mop head into the water, and the other to spin the mop head dry in seconds. Simply position the dirty mop into the 6-litre bucket and with a gentle down-up-down pump-action the mop head spins into action, to spin-rinse in the bucket and to spin-dry in the 'colander'. A relentless grime-fighter, the mops dirt-seeking 360° rotating head is made from thirsty microfibre tackling spills drip-free, so no more wet, slippery and dangerous floors. Complete with easy-empty drain plug at the base and 4 wheels, the lightweight bucket is made from robust plastic. Supplied with 2 washable microfibre click-off/click-on mop heads. lightweight aluminium telescopic handle adjusts from 96 to 121cm.

PARTS:

2x Mop Heads
Mop Plate
Bottom Handle
Top Handle
Bucket

ASSEMBLY INSTRUCTIONS

Place the mop head under the plate and push around the plate until you hear a click. Ensure it is fully secured before use.

Attach the Top Handle to the Bottom Handle by pushing them together gently.

Attach the bottom handle to the Mop Plate by pushing gently.

HOW TO USE

Ensure the plug is firmly inserted into the bucket before filling.

TO REMOVE THE MOP HEAD

Hold the microfibre firmly with either your hand or foot and pull the handle upwards.

WARNING:

- Take care when walking on wet floor
- Do not overfill the bucket, risk of spillage
- If the ends of the handle are sharp when assembling, do not assemble and discontinue use
