

Lightweight Shopping Trolley

INSTRUCTION MANUAL

Model No. EL5185

Please read carefully before use and keep for future reference

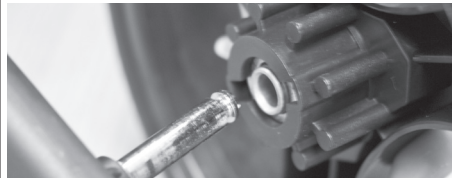

ASSEMBLY

1. Check that you have received all components

2. Remove the safety caps from the wheel axle

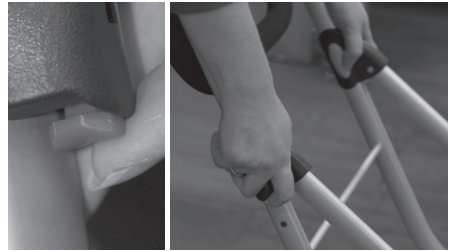

3. Attach the wheels by gently pushing them on the frame until you hear them click into place.

4. Push the brakes forward to hold the wheels in place

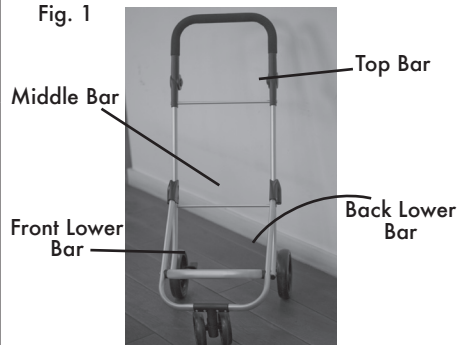

5. Push in the red locking buttons and push down to open the frame

6. To put the handle into position, press the two buttons and pull the handle upwards at the same time

7. Open out the main bag and push the base down

8. Attach the Velcro to the inside

9. Place the main bag onto frame and seal the Velcro over the top bar and front lower bar (See fig.1 overleaf)

10. Add insulated bag by attaching the Velcro around the middle bar and back lower bar. (See fig.1 overleaf)

TO CLOSE

1. Put on the brakes
2. Remove insulated bag
3. Pull the base of the main bag upwards so that the structure of the bag loosens
4. Push in the red locking buttons and pull upwards
5. To remove wheels, press centre button on wheel and pull away from axle.

DISPOSAL

- Please respect the environment!
- Dispose of the packaging according to the local recycling regulations.
- Dispose of the appliance at the end of its life span according to environmental consideration.
