

# 3X Anti-Glare LED Reading Magnifier (with 6x Bifocal)

## INSTRUCTION MANUAL

Model No. EL5273

Please read carefully before use and keep for future reference

**HIGHER BRIGHTNESS LEVEL:** 30% Brighter than traditional LEDs.

**MORE ENERGY EFFICIENT:** Consumes 50% less power than traditional lighting, therefore, a new set of batteries would last longer.

**LONGER LIFE SPAN:** Each SMD LED can last at least 50,000+ hours, 3 times longer than the traditional lighting.

**PROVIDES MORE EVEN LIT AREA:** SMD LED lights do not focus on one spot, the lighting is scattered evenly within an area, which reduces eye strain and discomfort.

**10 ANTI-GLARE SMD LED LIGHTS CONTROLLED BY DIMMABLE SWITCH**

Please insert 3 AAA batteries in the battery compartment located in the back of the led magnifier, simply pull out battery cover to insert or replace batteries according to polarity indicators inside of battery compartment.  
(Batteries are not included)

**DIMMABLE SWITCH**  
(To turn on & adjust brightness level)

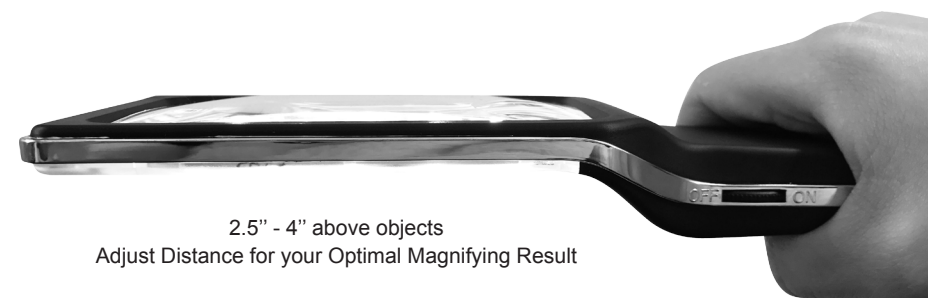

**3 X AAA BATTERIES**

### SUGGESTED USE:

This LED magnifier is an ideal tool for people who have difficulty with their vision or people who engage in the following activities: reading, craft, coins, jewelry, and stamps.

### HOW TO OPERATE MAGNIPROS LED MAGNIFIER:

Please hold this led magnifier 2.5" to 4" OVER/ABOVE the objects/small prints intended to magnify for optimal result. Hold the magnifier so that the battery compartment is facing down.

2.5" - 4" above objects

Adjust Distance for your Optimal Magnifying Result

### DISPOSAL

- Please respect the environment!
- Dispose of the packaging according to the local recycling regulations.
- Dispose of the appliance at the end of its life span according to environmental considerations.

### TECHNICAL SPECIFICATION

**Measures:** 11cm by 6.2cm

**Battery:** 3x AAA Batteries (not included)

### WARNING

- Do not leave batteries installed during extended periods of use.
- Do not mix with standard and rechargeable batteries to prolong the lifespan of circuit.
