

LED Light-up Solar Butterfly Spinner

INSTRUCTION MANUAL

Model No. EL5590

Please read carefully before use and keep for future reference

Assembly Instructions

Assemble the head by placing the spinner onto the head and attaching the securing cap. Twist until secure.

Starting with the stake pole assemble the three poles by twisting them together until tight.

Attach the head to the assembled poles and screw until tightened.

Turn the on/off switch to the on position and place in direct sunlight.
